PROFILE

Ambitious BSc IT student and entry-level software developer with practical experience building and managing university websites, automating admissions workflows, and mentoring student teams. Proficient in Java, Python, PHP/Laravel, SQL, Git, HTML/CSS, Power BI and MS Excel, with strong problem-solving and leadership abilities. Seeking a junior software development role to apply full-stack skills and deliver user-focused solutions.

AREAS OF EXPERTISE

• Java	• HTML	• VS Code
• PHP	• Git	• Leadership
• MySQL	• MS Excel	• C++
• Power BI	• Public Speaking	• SQL
• Operations	• C	• Laravel
• Problem Solving	• CSS	• Website Management
• Python	• GitHub	• Mentorship

ACCOMPLISHMENTS

- Developed and managed the LJ University website using PHP (Laravel), HTML/CSS and Git; maintained timely, accurate content updates and deployment processes. - Automated key admissions tasks and telecalling workflows with scripted processes and Excel tools, reducing manual steps and improving response handling. - Designed and delivered Power BI and Excel dashboards for admissions and website metrics to support administrative decision-making. -Mentored and led student web-development teams, establishing coding standards, version-control practices, and project delivery timelines. - Supervised official government examinations, enforcing testing protocols, handling logistics, and resolving real-time issues to ensure exam integrity. - Taught students (1st–8th standard), creating adaptive lesson plans and fostering measurable improvements in engagement and understanding. - Contributed to fullstack development tasks (Java, Python, PHP, SQL) and collaborated on code reviews and deployments to improve reliability and maintainability.

PROFESSIONAL EXPERIENCE

Website & Operations Intern, LJ University Ahmedabad	2026 to Present
Manage and update the university’s website content, ensuring accurate and timely information for students and faculty. Facilitate the university admissions process, handling inquiries, processing applications, and conducting telecalling operations to guide prospective students. Collaborate with university administration to streamline communication and day-to-day operational workflows.	
Government Exam Supervisor, Government of Gujarat / Exam Board 2025 to 2026	
Supervised official government examinations, ensuring strict adherence to testing protocols and maintaining a secure, fair environment. Managed exam logistics, verified candidate identities, and effectively resolved any real-time issues during testing sessions.	
Teacher (1st to 8th Standard), Private Educator	2023 to 2025
Ahmedabad Taught a comprehensive curriculum across all subjects for students in 1st to 8th standard over a two-year period. Developed strong communication, leadership, and mentorship skills by adapting teaching methods to diverse student learning paces.
